KENTUCKY ASSOCIATION OF FOOD BANKS, INC
NOTES TO FINANCIAL STATEMENTS

NOTE A – NATURE OF ACTIVITIES

Kentucky Association of Food Banks, Inc. (the Organization), founded in 2001, is a non-profit organization dedicated to providing food and quality services to increase the capacity of Kentucky's Feeding America food banks to end hunger. The Organization derives revenue from grants and membership dues to serve all 120 counties in Kentucky and is located in Berea, Kentucky.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Organization's policy is to prepare its financial statements on the cash basis of accounting. Consequently, contributions and other revenues are recognized when received rather than when promised or earned, and certain expenses and purchases of assets are recognized when cash is disbursed rather than when the obligation is incurred. Noncash transactions are not recognized in the financial statements.

Financial Statement Presentation

The Organization reports information regarding its financial position and activities according to three classes of net assets:

Unrestricted Net Assets - used for the general activities of the Organization.

Temporarily Restricted Net Assets - used to record funds restricted for the specific purposes designated by the donors.

Permanently Restricted Net Assets - used only for totally restricted endowment funds. There are no funds designated as permanently restricted as of June 30, 2015 and 2014.

Donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of revenues, expenses, and other changes in net assets – cash basis as net assets released from restrictions. If donor-restricted contributions meet restrictions during the same reporting period they are reported as unrestricted support in the statement of revenues, expenses, and other changes in net assets – cash basis.

Tax Status

The Organization is a not-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and classified by the Internal Revenue Service as other than a private foundation.

The Organization's Forms 990, *Return of Organization Exempt from Income Tax*, for the fiscal years ended 2015, 2014, 2013, and 2012 are subject to examination by the IRS, generally for three years after they were filed. The Organization has no uncertain tax positions that qualify for disclosure in the financial statements.

Cash and Cash Equivalents

Cash and cash equivalents include all monies in banks and highly liquid investments with maturity dates of three months or less.

KENTUCKY ASSOCIATION OF FOOD BANKS, INC
NOTES TO FINANCIAL STATEMENTS

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - continued

Contributions

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted net assets depending on the existence or nature of any donor restrictions.

Concentration of Income Sources

The Organization depends on member dues and grants for a significant portion of its revenue. This funding is subject to change each year based on grant funding. The Organization's operations are conducted mainly inside the state of Kentucky. Management believes it is unlikely that these concentrations make them vulnerable to risk in the near term.

Date of Management's Review

The Organization's subsequent events have been evaluated through September 23, 2015 which is the date the financial statements were available to be issued.

NOTE C – RELATED PARTIES

The Organization partners with seven Feeding America food banks that pay member dues to the Organization based on their size. Membership dues are also based on the amount of grant funding the Organization receives such that, as the Organization is able to receive more grant funding, membership dues decrease. The Organization received \$50,052 in membership dues during each of the fiscal years ended June 30, 2015 and 2014, respectively.

NOTE D – RETIREMENT PLAN

Employees of the Organization are covered under God's Pantry's 401(k) safe harbor retirement plan. Under the plan the Organization contributes 4% of salary with an additional 1% match to all eligible employees. Total retirement plan expense for the year ended June 30, 2015 was \$3,452.

NOTE E – JOINT COSTS

Expenses have been allocated to their functional categories using specific identification for items that clearly apply to a functional category. Expenses relating to multiple functional categories are allocated based on the percentage of time spent on the activity. The total percentages of expenses in each functional category for the years ended June 30, 2015 and 2014 are as follows:

	<u>2015</u>	<u>2014</u>
Program expenses	96%	94%
Administrative expenses	1%	2%
Fundraising expenses	3%	4%
	<u>100%</u>	<u>100%</u>
